

# Iver Environment Centre

How to find us ...

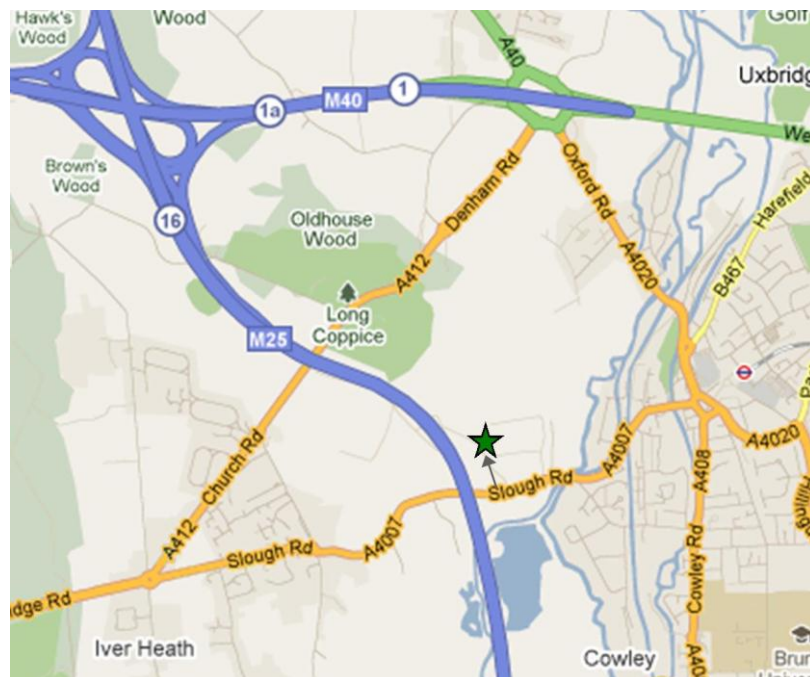

Slough Road,  
Iver Heath,  
SL0 0EB

Iver Environment Centre is located 1 mile from Uxbridge Town Centre and 2 miles from Slough.

## By Road:

- From Uxbridge, take the A4007 sign posted for Slough. IEC is located on your right after the National Grid Entrance. It shares a driveway with Mansfield Farm
- From Slough follow the A 4007 towards Uxbridge. IEC is located on your left hand side after going over the M25 bridge.

Iver Environment Centre has a free car park on site accessible to cars and minibuses. Coaches may park in the overspill car park and must be pre-booked.

## By Public Transport:

- The centre is on a direct bus route between Slough Station and Uxbridge town centre. It is served by route number 58. The bus stops in both directions are at the top of the driveway to IEC.
- The nearest mainline stations are Langley or Richings Park which are on the Reading main line with trains running approximately every half hour.
- Uxbridge Underground station is just over a mile away, and takes approximately 20-30 minutes to walk to the centre.
- Taxis serve both Slough and Uxbridge stations.
